PICKS OF THE WEEK

Read of the Week

Moving back and forth between Vermont and New York City, [Ten Thousand Saints](#) is an emphatically observed story of a frayed tangle of family members brought painfully together by a death, then carried along in anticipation of a new and unexpected life. With empathy and masterful skill, [Eleanor Henderson](#) has conjured a rich portrait of

the modern age and the struggles that unite and divide generations.

Movie of the Week

In [*Frankenweenie*](#), Young Victor conducts a science experiment to bring his beloved dog Sparky back to life, only to face unintended, sometimes monstrous, consequences.

Album of the Week

iUno! is the ninth studio album by American punk rock band [*Green Day*](#) and is the first of three albums in the *iUno!*, *iDos!*, *iTré!* trilogy, a series of studio albums to be released.

Organization of the Week

[*Love is Louder*](#) is a movement of all types of people who have come together to raise the volume around the message that love and support are louder than any internal or external voice that brings us down.
